2 [~~No member~~] A majority of the commission members shall have [a]
3 no pecuniary or fiduciary interest in the health services
4 industry while serving or for three years preceding [~~his~~]
5 appointment to the commission. [~~Two~~] Three members shall be
6 appointed for one-year terms, three members shall be appointed
7 for two-year terms, three members shall be appointed for three-
8 year terms and all subsequent appointments shall be made for
9 three-year terms.

10 C. The New Mexico health policy commission shall
11 meet at the call of the [~~chairman~~] chair and shall meet not
12 less than quarterly. The [~~chairman~~] chair shall be elected
13 from among the members of the commission. Members of the New
14 Mexico health policy commission shall not be paid but shall
15 receive per diem and mileage expenses as provided in the Per
16 Diem and Mileage Act.

17 D. The New Mexico health policy commission shall
18 establish task forces as needed to make recommendations to the
19 commission on various health issues. Task force members may
20 include individuals who have expertise or a pecuniary or
21 fiduciary interest in the health services industry. Voting
22 members of a task force may receive mileage expenses if they:

- 23 (1) are members who represent consumer
24 interests;
- 25 (2) are individuals who were not appointed to

1 represent the views of the organization or agency for which
2 they work; or

3 (3) represent an organization that has a
4 policy of not reimbursing travel expenses of employees or
5 representatives for travel to meetings.

6 E. The New Mexico health policy commission shall:

7 (1) develop a plan for and monitor the
8 implementation of the state's health policy;

9 (2) obtain and evaluate information from a
10 broad spectrum of New Mexico's society to develop and monitor
11 the implementation of the state's health policy;

12 (3) obtain and evaluate information relating
13 to factors that affect the availability and accessibility of
14 health services and health care personnel in the public and
15 private sectors;

16 (4) perform needs assessments on health
17 personnel, health education and recruitment and retention and
18 make recommendations regarding the training, recruitment,
19 placement and retention of health professionals in underserved
20 areas of the state;

21 (5) prepare and publish an annual report
22 describing the progress in addressing the state's health policy
23 and planning issues. The report shall include a workplan of
24 goals and objectives for addressing the state's health policy
25 and planning issues in the upcoming year;
